

Play it loud.

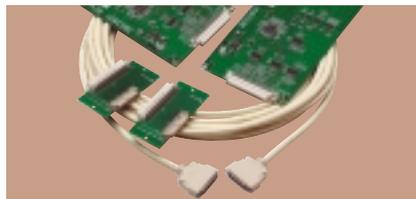

**OLIVETTI d-COPIA 63
DIGITAL COPIER**

olivetti

MAKE YOURSELF COMFORTABLE AND LISTEN TO THIS. WITH 63 COPIES A MINUTE, WHICH IN TANDEM BECOME 126, THE D-COPIA 63 WILL MAKE YOUR OFFICE'S PRODUCTIVITY SOAR. ESPECIALLY IF WE'RE TALKING ABOUT LARGE OFFICES, SUCH AS OPEN SPACE ARRANGEMENTS, BANKS, POST OFFICES, MINISTRIES OR UNIVERSITIES. HIGH SPEED, BUT ALSO HIGH QUALITY, WITH A PRINT RESOLUTION OF 1,800 DPI AND 256 SHADES OF GREY, THAT GUARANTEE YOU COPIES THAT ARE IDENTICAL TO THE ORIGINAL, EVEN FOR PHOTOGRAPHS. NOT TO MENTION THE SAVINGS YOU'LL MAKE: THE DRUM IS DESIGNED TO LAST AS LONG AS THE COPIER. AND TO ROUND IT ALL OFF THERE'S THE FULL RANGE OF FINISHING OPTIONS THAT TRULY COVERS ALL NEEDS, STAPLING, SADDLE-BINDING FOR BOOKLETS AND HOLE-PUNCHING.

d-Copia 63

Tandem configuration for 126 copies/prints a minute

Network connections for printer and scanner

MULTIFUNCTION: SO MANY FUNCTIONS FOR EVERY CIRCUMSTANCE

The Olivetti d-Copia 63 is a truly professional multifunction digital system that can meet the needs of any network operating system (from Windows 95/98 to NT, from Novell Netware to MacOS). Its powerful 20GB hard disk provides an extra solution to reduce copy times markedly: the optional HD4 hard disk allows you to store all frequently used documents and make them available on the local network, so that everyone can print out and copy the document without having to use the original, in whatever part of the company they might be.

Using the job combine function you can print off documents prepared in different formats such as Word, Excel or Power Point. What's more, once online the d-Copia 63 acts as a combined printer and scanner.

SEE THE SPEED, FEEL THE QUALITY

The Olivetti d-Copia 63 technology guarantees excellent copy quality. In fact with its 1,800x600 dpi print resolution, even the most complex documents come out perfectly clearly.

Its outstanding speed makes it ideal for large departmental offices: a full 63 copies a minute which, at times when the workload is particularly heavy, can become 126 copies, simply by connecting in tandem two Olivetti d-Copia 63s.

SIMPLE OPERATION

Organising work with the Olivetti d-Copia 63 is easy for all the office: its practical console with a touch-screen interface makes all the operations simple and intuitive. Thanks to its ability to store the most commonly used functions, the work of the office becomes even better organised.

Once online, the Olivetti d-Copia 63, proves its worth as the most powerful multifunction departmental copier, with top of the range performance in functions such as Scan to email, Scan to PC and Twain Scan.

SO MUCH PAPER AND A TOP CLASS FINISHER

In addition to its great speed the Olivetti d-Copia 63 offers a highly respectable paper capacity, that becomes practically inexhaustible with the options offered. The standard drawer already holds 4,200 sheets,

which may be supplemented by the 4,000 sheet optional drawer.

Meanwhile the range of finishing functions covers all needs, even the most professional: a multitray facility, an option for 2 and 4 hole punching, one or two point stapling, creation of folded, saddle-bound booklets.

UNBEATABLE MAINTENANCE COSTS

With the Olivetti d-Copia 63 the office reaches an unheard of cost per copy. Thanks to all the toner and energy saving features, in addition to the hi-tech drum which does not require routine maintenance for the lifetime of the machine.

1 An endless supply of paper

2 The touch-screen console allows for easier use of the machine's functions

3 A DF-610 finishing unit allows the creation of stapled, hole-punched documents for filing or folded, saddle-bound booklets
